Please be courteous to your fellow dancers and staff, if your dancer is running a fever or has been complaining of flu-like symptoms please keep them home. We are doing everything we can to disinfect daily and keep the spreading of germs to a minimum. We know your dancer does not want to miss out on the highlights of each week but having a happy healthy dancer is our number one priority! If your dancer needs to miss class please call the office or email the studio!

## Dress 2 Express Week

### OCTOBER 10/21 - 10/24

Dancers are encouraged to dress up in all classes this week. Please no pajamas or street clothes, absolutely no jeans. Each class will have a party to celebrate their accomplishments thus far in the season. Please feel free to sign up in the office to bring something for your dancer's class. Please check with Mrs. Jenn in the office for any allergies in your dancer's class. Dancers will also go around the studio collecting treasures and candy so be sure that they have their dance bag or an extra bag for goodies.
