A NOTE FROM

Ms. Ashli & Ms. Kaleigh

We are so excited for October... so many fun events are headed to OMDC. Dress 2 Express week, our first annual Monster Mash, and the start of recital routines. You can keep up with up to date information in our monthly newsletters and on our social media platforms.

The start of recital dances means it is that time of year where dancers are measured for costumes. Dancers will be measured in classes during the month of October. If you would like to measure your dancer at home, please notify the office and submit those measurements to the office by October 15th.

We will be moving into outdoor monitor viewing the week of October 12th! We are excited to provide our families with a safe way to view classes. Although we have the space for our dancers to socially distance our lobby does not allow for each parent to be able to view their dancer at the same time. Please do your part to socially distance when viewing.

All the best!

Ashli & Kaleigh

Dress 2 Express Week

Dress to Express week is one of our most favorite weeks of the year! Dancers can express their individual style by wearing costumes to class. Dancers will have the opportunity to share individually wrapped treats at the end of class. They will also go on the hunt for hidden treat buckets around the studio. Its is sure to be an evening of surprises and fun!
