Penny Wars

During the month of September, all levels of OMDC participate in a friendly Penny War Competition in support of the organization Dancer's Against Cancer. Dancers bring in pennies to place into their level's jar earning them positive points. Other levels then bring in silver and dollars and place into jars for negative points. The level with the most positive points at the end of the month is awarded with a pizza and cupcake party!!

Simply put, place pennies in your level and place silver/bills in other jars!

The "I'm a Dancer Against Cancer" campaign was founded in 2012 in a response to the loss of a young dancer from cancer. Since then, it has become a beacon of hope in the dance community, uniting dancers all over the nation. All proceeds from our Penny War will go directly to DAC in hopes to relieve the financial burden of hospital bills for a family in need! As a studio that has been touched by childhood cancer we are proud to support our young dancers and their community!
